Dear Sir,

RECOMMENDATION LETTER: AKAOLISA UZOMA ANSLEM

I am pleased to forward to you on request, a letter of recommendation and attestation to character in favor of **Akaolisa Uzoma Anslem**.

I have known him for the past six (6) years as a devoted and enthusiastic friend that has a flare for result.

He had aptitude for original and independent work. He is intelligent, focused and can manage his time effectively and quickly make his choice of preference. In addition, he is very loyal and quite submissive to any constituted authority. He possesses the requisite leadership attributes to excel in life. His entire University instruction was conducted in English Language and he possesses a firm grasp of the language.

Please kindly grant him the necessary assistance he may request of your institution to enable him reach his optimum in his pursuit. I strongly undertake to recommend him.

You have the assurances of my highest esteem.

Yours sincerely,

Engr. Anthony N. Nnodum.

(B. Eng. FUTO; M. Eng. FUTO; ENGR.; MNSE)
